2. [redacted] who are also the principal drafters of
the recent SNIE on [redacted]
[redacted]

25X1

25X1

3. All the members of our Committee, consisting of Intelligence
Community principals or their representatives, were equally impressed by
the urgent need to focus collection management attention on this
important issue, and the story these two fine analysts have to tell will
give fresh impetus to our effort to stimulate more effective collection
by the field. [redacted]
